Announcements

Any elected member of a national society of nephrology is eligible for membership in the International Society of Nephrology and receipt of the Society’s official Journal, Kidney International. A subscription to Kidney International (including all Supplements) for calendar year 1976 is included in the annual 1976 dues of US $48.00. Individuals who have been dues-paying members of the ISN during 1975 should now remit their 1976 dues directly to Dr. Neal S. Bricker, Treasurer, International Society of Nephrology, Department of Medicine, Albert Einstein College of Medicine, 1300 Morris Park Avenue, New York, N. Y. 10461, U.S.A. Checks should be made payable to the International Society of Nephrology (checks from outside of the U.S.A. can be paid through any New York bank). Potential new members can secure application forms for membership by writing directly to Dr. Bricker at the above address. They should enclose a check or money order for the first year’s (1976) annual dues (US $48.00) along with the completed application (checks should be made payable to the International Society of Nephrology through any New York bank).

Continuity of Subscription to Kidney International

It is of the utmost importance for 1975 members of the International Society of Nephrology to remit their 1976 dues (US $48.00) immediately to the office of the Treasurer. Otherwise, continuity of subscription to Kidney International during 1976 cannot be assured.

Meetings

The 7th annual Postgraduate Nephrology Seminar sponsored by the Council on the Kidney in Cardiovascular Disease of the American Heart Association will be held at the Given Institute of Pathobiology in Aspen, Colorado, on March 15-17, 1976. The program, arranged by the University of Colorado Medical Center, will include a series of lectures and workshops on “Hematologic, Hemodynamic and Vascular Aspects of Renal Disease: Pathogenesis, Diagnosis and Therapy.” The faculty includes a number of distinguished guests: Drs. C. G. Cochrane, A. Michael, E. Lowrie, D. McKay and V. Pollak, as well as renal pathologists, adult and pediatric hematologists, nephrologists, surgeons and clinical immunologists from the University of Colorado. The program would be of interest to internists, pediatricians, hematologists, obstetricians and transplant surgeons. For further information write to Dr. George Stewart, Scientific Affairs Division, American Heart Association, 44 East 23rd Street, New York, New York 10010, or contact Dr. Rawle McIntosh, Program Chairman, University of Colorado Medical Center, 4200 East Ninth Avenue, Box C233, Denver, Colorado 80220, U.S.A.

European Dialysis and Transplant Association

Membership in the *European Dialysis and Transplant Association* (EDTA) is open to qualified workers in fields that are of interest to the Association (hemodialysis, peritoneal dialysis, renal transplantation and the broad field of nephrology including clinical nephrology, renal physiology, renal pathology, etc). Full membership is limited to scientists who reside in Europe and adjacent countries; associate membership is available to scientists from other countries. Candidates for full or associate membership must be proposed by two full or associate members on a form provided by the Secretary-Treasurer. This proposal, accompanied by a letter of recommendation from one of the proposers, should be sent to the Secretary-Treasurer for consideration by the Council. All members are entitled to 1) receive information about the annual Congress and all General Assemblies of the Association, 2) participate in the annual Congress and 3) receive an annual copy of the *Proceedings of the EDTA*. For further information write to Dr. Vittorio E. Andreucci, Secretary-Treasurer, Divisione di Nefrologia, Seconda Facoltà Di Medicina Università, Via S. Pansini, 89131 Napoli, Italy.

The *Proceedings of the XI Congress of the European Dialysis and Transplant Association* (EDTA) is available from Pitman Medical, 42 Camden Road, Tunbridge Wells, Kent TN1 2QD, England (Price: £13.50). In the United States, it can be ordered from Dr. George E. Schreiner, Editor, Transactions of the ASAIO, Georgetown University Medical Center, Washington, D.C. 20007, U.S.A. (Price: US $30.00). Volume XI contains the latest statistical report of the EDTA Registry for dialysis and transplantation, special editorials on glomerular hemodynamics and autoregulation (V. Andreucci) and clinicopathological classification of glomerulonephritis (R. Habib), a panel discussion on dialysis and 57 original papers on dialysis (26), transplantation (14) and general nephrology (17).
